

Clearing your cache in edge:

To clear cache and cookies when using Microsoft Edge, follow the steps detailed below:

- Click on the  menu button situated in the upper right corner.
- Click on **Settings**.

Go to privacy search and services.

- Under **Clear browsing data**, click on **Choose what to clear**.
- Check the boxes next to **Cookies and saved website data** and **Cached data and files**.
- Click on **Clear**.

At this point we recommend restarting Edge.
